## *Seattle as the locals see it*

We begin our tour by introducing you to downtown Seattle so you can enjoy exploring it later on your own. But you can't experience Seattle simply by seeing downtown. We'll show you our neighborhoods – where we live and play. You'll leave our tour feeling like you know Seattle.

*We offer a fully escorted and guided tour through the Ballard Locks*

## *In and around the city*

On your tour we'll give you the lowdown on life in Seattle, with plenty of fascinating commentary including history, culture, architecture, real estate, the economy, what's growing in our yards and, of course, the weather. We're always on top of what's happening in Seattle.

We make three to six great stops while on our journey through Seattle. A visual treat awaits you at each turn so don't forget your camera. Local "mystery treats" are included on each tour. We provide umbrellas to ward off Seattle's famous mists whenever we venture from our comfortable shuttle.

*"We've done tours like this one in many cities around the U.S. and, indeed, around the world. Show Me Seattle Tours was easily the best."*
